1. Lt. Shepp, of ID's coordinating office, called this morning at about 1040 to that he had had orders from ID front office to suspend all action on SR's pending the clarification of the whole SR question, and that they would therefore have to disregard our deadlines on [REDACTED] and SR-53 (Costa Rica).

2. I suspect that we will hear from the other IAC agencies in like vein during the course of the day, if their action in concert on this matter up to this time is any indication.

3. I passed on to Lt. Shepp that it was our present view (though this had not been made official) that, pending a final settlement of the matter, agency obligations on the four SR's now in one or another stage of coordination would be as in the past, and that we had therefore sent out SR-49 and SR-53 in the usual manner despite the agency correspondence with CIA on the matter.
